a current listing of contents

Volume 1, Number 2, 1981

Periodical literature is the cutting edge of women's studies scholarship, feminist theory, and much of women's culture. Feminist Periodicals: A Current Listing of Contents is published by the Office of the Women's Studies Librarian-at-Large on a bimonthly basis with the intent of increasing public awareness of feminist periodicals. It is our hope that Feminist Periodicals will serve several purposes: to keep the reader abreast of current topics in feminist literature; to increase readers' familiarity with a wide spectrum of feminist periodicals; and to provide the requisite bibliographic information should a reader wish to subscribe to a journal or to obtain a particular article at her library or through interlibrary loan. (Users will need to be aware of the limitations of the new copyright law with regard to photocopying of copyrighted materials.)

Table of contents pages from current issues of major feminist journals are reproduced in each issue of Feminist Periodicals. These are preceded by a briefly annotated listing of the journals we have selected. This listing provides the following information on each journal (as available):

1. Year of first publication.
2. Frequency of publication.
3. Subscription price(s).
4. Subscription address.
5. Current editor.
6. Editorial address (if different from subscription address).
7. International Standard Serials Number (ISSN).
8. Library of Congress (LC) catalog card number.
9. OCLC, Inc. Control Number.
10. Locations where the journal is held in the UW system.
11. Publications in which the journal is indexed.
12. Subject focus/statement of purpose of the journal.

Please note that in the actual text, only the numbers 1 to 12 are used to identify the different categories of information. Interested readers will find more complete information on feminist periodicals in Guide to Women's Publishing by Polly Joan and Andrea Chesman (Dustbooks, 1978) and in Women's Periodicals and Newspapers: A Union List of the Holdings of Madison Area Libraries compiled by James P. Danky, Maureen Hady, Neil Strache, and Barry Noonan (forthcoming, 1981).

Suggestions for improvement of Feminist Periodicals are gratefully received. We would particularly appreciate assistance from readers in the UW System with our efforts to keep the holdings information complete and up-to-date. Please let us know about new subscriptions, subscriptions we have overlooked, cancellations, or other pertinent information.

Feminist Periodicals is available free of charge from: Linda Parker, Women's Studies Librarian-at-Large, 112A Memorial Library, 728 State Street, Madison, Wisconsin, 53706. Phone: (608) 263-5754.
