Mr. K. H. Runkle
Bldg. #2

Would you like to have our sales contact which handles the Brown & Williamson Tobacco Corporation, 1600 West Hill Street, Louisville 1, Kentucky provide to Purchasing Manager Pritchett the attached reprint from Purchasing Magazine and the copy of the speech presented to the ASME in California, for which he asked in his letter of October 26.

I believe the presentation to which he refers is one made by our Materials Manager, Bill Bryant, roughly a year ago.
