

**WLAA
DISTINGUISHED FACULTY
AND ALUMNI AWARDS
PRESENTED**

The annual Wisconsin Law Alumni Association's Distinguished Faculty—Alumni awards were announced at the annual meeting on April 24. The Alumnus chosen is the late Glen Campbell, who was President of the Association at the time of his death in 1972. His award was accepted by George Steil, his law partner, on behalf of Mr. Campbell's four daughters.

The Distinguished Faculty award was made to Emeritus Professor William Gorham Rice, Jr., who served as a member of the law faculty for 41 years at the time of his retirement in 1963. Professor Rice was on a vacation in England at the time of the meeting, so his award will be formally presented at the October meeting of the Directors and Visitors.

TORCHLAND OF FREEDOM

A Bicentennial Song
(Tunes: America or Trinity)

William G. Rice 1976

1.
O country ours, to thee,
Torchland of liberty,
To thee we sing.
Settlers from all the Earth,
Mingling their hopes and worth,
Now, as before thy birth,
Gifts to thee bring.

2.
We prize thy wooded hills,
Thy prairies, cities, mills;
And, even more.
Discoverer revere,
Pilgrim and pioneer,
Teacher and pamphleteer,
Now, as of yore.

3.
When, centuries ago,
Patriots' telling blow
Rent Britain's yoke,
They, in this grand "new world,"
Our fed'ral stare unfurl'd
And new ideas hurl'd
To all Earth's folk.

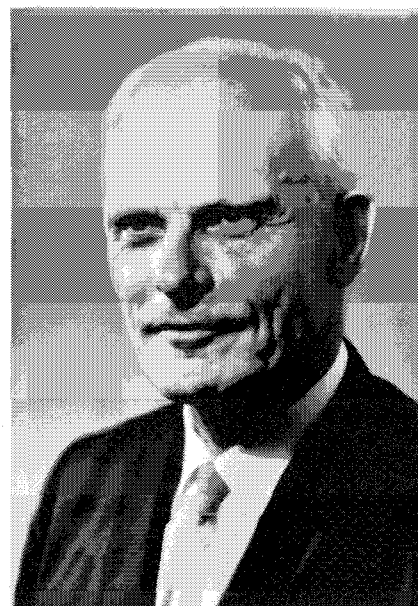

4.
Debasing slavery,
Violence, knavery
Have dim'd thy light.
Over such ways of shame
May freedom's cleansing flame,
Blazing henceforth, fairclaim
Triumph of right.

5.
Impel'd in later years
By hatreds, hopes, and fears,
Which nourish war,
Discoverers have found
Resources that abound
Can blast Earth into ground
Where life's no more.

6.
O union that we praise,
Lead on in quest of ways
World peace to make.
To ev'ry land and race
Show forth the freeing grace
Of fed'ralism's embrace—
For mankind's sake.
