Biological Sciences

Chair: Daad Saffarini, LAP S181 229-4214
http://www.biology.uwm.edu

In addition to courses offered by Biological Sciences, students are also encouraged to select cross-listed courses in other departments (Clinical Laboratory Sciences; Conservation and Environmental Sciences; Psychology; and Urban Planning). A detailed listing of all Multidisciplinary Courses can be found on the web at:

http://www4.uwm.edu/schedule/

IMPORTANT: Registered students not attending Biological Sciences Lab and/or Discussion courses during the first week may be dropped. See 'Administrative Drop for Non-Attendance' policy under The Department of Enrollment Services 'Registration Policy' on the web at:
https://www4.uwm.edu/current_students/register_course_info/registration_policies.cfm

Registration in laboratory courses is typically restricted by the availability of openings in laboratory sections. You must register for both the lecture and laboratory sections to complete the course.

POLICIES OF THE DEPARTMENT OF MATHEMATICAL SCIENCES

STUDENTS WHO DO NOT ATTEND CLASS (including discussions) or contact the instructor during the first week of classes may be administratively dropped from the course.

All course prerequisites are enforced in MATH 105, 106, 116, 117, 175, 176, 211, 221, 231, 232, 233, 234, 341 & MTHSTAT 215. Students on waiting lists and students who attempt to add or change sections after Open Enrollment should be prepared to show proof of prerequisites in the first week of classes. Math advisors are available in the Department of Mathematical Sciences to help students with prerequisite verification problems. Students are encouraged to consult with them during the first week of classes.

Milton and Lillian Peck School of the Arts

DIFFERENTIAL TUITION, applied regardless of the credit plateau, for all students enrolled in most undergraduate courses offered through the degree programs within the UW-Milwaukee Peck School of the Arts beginning in the Fall 2004 semester. Eight 100-level General Education Requirement (GER) courses do not carry the differential: Music 100, Music 101, Music 102, Art 100, Art 105, Art 106, Art 124, and Theatre 100.The differential tuition rate will be set at $21.20 per credit during this academic year. Additional tuition enhances the quality of education in the Peck School of the Arts.

All Inter-Arts traditional track majors (excluding Interdisciplinary Arts & Technology and Musical Theatre) must meet with their academic advisor in the Peck School of the Arts Student Services Office prior to registration. A registration hold will be placed on the students record until an academic advising session is held. Upon completion of the advising session, the registration hold will be removed.. Call 229-4763 to make an appointment to see your Peck School of the Arts academic advisor.

Chair: Lee Ann Garrison, ART 270 414-229-6052

Note: Any student enrolled in a studio course who does not attend the first class without having previously notified the instructor may, at the discretion of the instructor, be dropped.

Attention Graphic Design Majors: The Graphic Design sub-major has undergone Program changes in the last few years. New students intending to major in Graphic Design should check the online Undergraduate Bulletin (http://www.uwm.edu/ugbulletin/SC/S_SOA.html) for the most recent requirements. Current majors in the program should speak to a Peck School of the Arts advisor (THR Bldg 120) or ask a Graphic Design faculty member if they have questions or are unsure of which set of programmatic policies and prerequisites apply to them.

IMPORTANT REGISTRATION INFORMATION

1. Prerequisites will be strictly enforced. Students who do not meet prerequisites will be administratively dropped from the course, without notice.

2. Any student enrolled in a dance course, who does not attend the first class without having previously notified the Department of Dance Office (414.229.2571) may, at the discretion of the instructor, be administratively dropped. It is the student's responsibility to check the office hours of the instructor if a drop is requested. See administrative or departmental drop section in the Registration portion of the Schedule of Classes for information about fees for students dropped from the course. Note: Students must file signed drop forms personally, at the Department of Enrollment Services; instructors take students off their own list, but they do not contact Enrollment Services.

3. Dance and Musical Theatre majors will have priority registration for courses required in the major.

4. All Dance majors must complete the audition process before enrolling in Dance majors classes. Contact the Department of Dance Office at (414.229.2571) for more information and upcoming audition dates.

5. Non-Dance majors: To satisfy GER requirements, the following courses are offered in the Dance Department: 103, 110, 111, 113, 115, 117, 122, 220, 313, 315, and 370. Please register for the section labeled 'Non-Dance majors only.'

It is a student's responsibility to check her or his PantherLink email account regularly for important university and/or course related information (or to input a PantherLink forward mail command routing email to any other preferred non-UWM email address).

7. Students in Dance Department courses must maintain a level of personal fitness necessary to participate fully in the course.

Department Office: Art 203, 414-229-4947
Chair: LeRoy Stoner, ART 234, 414-229-3913

IMPORTANT REGISTRATION INFORMATION

1. Prerequisites will be strictly enforced. Students who do not meet prerequisites will be administratively dropped from the course.

2. Any student enrolled in a Theatre course, who does not attend the first class without having previously notified the Theatre Department Office (229-4947) may, at the discretion of the instructor, be administratively dropped. After the Friday of the first week of classes students will not be allowed to drop without the written permission of the instructor. It is the student's responsibility to check the office hours of the instructor if a drop is requested. See administrative or departmental drop section in the registration portion of the schedule of classes for information about fees for students dropped from the course. Note: students must file signed drop forms personally, at the registrar's office; instructors take students off their own list, but they do not contact the registrar's office.

3. Theatre majors will generally have priority registration for courses REQUIRED in the major.

4. All official email communication between the Department of Theatre and admitted UWM students will be sent to assigned student PantherMail email addresses (http://panthermail.uwm.edu). It is a student's responsibility to check her or his PantherMail email account regularly for important university and/or course related information (or to input a PantherMail forward mail command routing email to any other preferred non-UWM email address).

5. THEATRE COURSES ARE CLOSED TO AUDITORS.

IMPORTANT REGISTRATION INFORMATION:

1. Some Curriculum and Instruction courses are not open to University Special Students (including Summer Guest Students) or students who want to audit a course (written consent required to audit). Enrollment restrictions such as these can be viewed in the `Expand All' view of the Online Schedule of Classes, specifically in the `Notes' area following course prerequisites (if any), and directly above course section schedule information. Post-baccalaureate undergraduate special students, and non-degree graduate special students, must obtain department approval to enroll for these courses (END 310, 229-4814, cni@uwm.edu).

2. Students who do not meet course prerequisites may be administratively dropped. See Registration portion of this Schedule for information about fees for students dropped by department.

3. Students who do not attend classes in which they are registered may be administratively dropped. Students who do not attend the first class meeting are subject to this policy. See Registration portion of this Schedule for information about fees for students dropped by department.

4. Students accepted into Curriculum and Instruction programs may be given priority registration for department courses for which Junior Standing is a prerequisite.

5. Student Teachers (only) please note: The Fall 2010 Semester mandatory two day (9:00am-4:00pm) on-campus student teaching orientation will be held on: Wednesday and Thursday, August 25-26, 2010, Bolton Hall 150. Please contact your specific program director (or assigned advisor listed in your PAWS account) if you have questions about whether or not you are required to attend the orientation.

6. Official e-mail communication between the Department of Curriculum and Instruction and admitted UWM students will be sent to assigned student UWM PantherLink e-mail addresses (https://pantherlink.uwm.edu). It is a student's responsibility to check her or his PantherLink e-mail account regularly for important university and/or course related information. If you do not check your PantherLink e-mail on a regular basis, then we suggest that you enter a PantherLink e-mail account forward mail command routing e-mail to your preferred non-UWM e-mail address.

Additional tuition will be applied, regardless of the credit plateau, for all students enrolled in the UW-Milwaukee Sheldon B. Lubar School of Business' 200-600 level classes. The differential tuition rate is $20 per credit during the 2010-2011 academic year. Additional tuition will enhance the quality of education in the Lubar School of Business.

THE COLLEGE CONNECTION DISTANCE EDUCATION COURSE FEES are assessed, regardless of the credit plateau, for all students enrolled in College Connection program courses through UW-Milwaukee. The UWM-College Connection Distance Education Course fee for the Fall 2010 semester is $1,050 per 3-credit course. This fee covers both tuition and additional program costs.

IMPORTANT NOTICE REGARDING PRIORITY ENROLLMENT PLAN FOR UNDERGRADUATE BUSINESS ADMINISTRATION COURSES.

1. Pre-Business Administration Seniors and UWM special students who do not hold an undergraduate degree are not eligible to register for any 400, 500, or 600-level business courses. There is one exceptional circumstance, based on both cumulative and five-course GPAs, allowing a pre-business senior to enroll in one 400-level business course on a one-time basis. Please see the Business School academic advising staff in LUB N297 for more information.

2. Non-business degree students can register in 400, 500, or 600-level courses if they have completed course prerequisites and can provide evidence of GPA of 2.50 or above.

3. UWM special students who do not hold an undergraduate degree can register for 100, 200, and 300-level business courses if they meet course prerequisites, including class standing criteria.

4. Guest matriculates from other universities who are continuing degree students at their home universities are eligible to register in any Bus Adm courses if they meet course prerequisites, including class standing criteria.

5. Business Administration courses are not available to students on a credit/no credit grading basis. Exceptions: 400, 439, 449, 459, 469, 479, 534

6. STRICT ENFORCEMENT OF THE REQUIREMENT FOR ADVANCING TO A MAJOR IN THE SCHOOL OF BUSINESS ADMINISTRATION
Consistent with our grade point average policy for advancement to the business major, students who have a 2.50 cumulative grade point average or above (including transfer work, if any) are guaranteed admission.

IMPORTANT NOTICE FOR GRADUATE BUSINESS STUDENTS

1. The Business School has two curricular areas - Business Administration (BUS ADM) and Business Management (BUSMGMT), Please check both areas for courses as well as seminars in management (Bus Adm 795).

2. Masters level foundation courses are Bus Adm 700-703. Contact the Business School Graduate Program Services Office if you have questions.

3. Enrollment in 900-level doctoral seminars is restricted to Ph.D. students.

STUDENTS WHO DO NOT ATTEND CLASSES IN WHICH THEY ARE REGISTERED MAY BE DROPPED FROM THE COURSE. (See Registration portion of this Schedule for information about fees for students dropped by department).

IT IS THE STUDENT'S RESPONSIBILITY TO MEET ALL PUBLISHED PREREQUISITES OF A COURSE; THE STUDENT MAY BE ADMINISTRATIVELY DROPPED AT ANY TIME DURING THE SEMESTER IF THE PREREQUISITES ARE NOT MET.
