Biological Sciences

Chair: Craig Sandgren, LAP S181 229-4214
e-mail: sandgren@uwm.edu
http://www.uwm.edu/Dept/Biology/

In addition to courses offered by Biological Sciences, students are also encouraged to select cross-listed courses in other departments (Clinical Laboratory Sciences; Conservation and Environmental Sciences; Psychology; and Urban Planning). A detailed listing of all Multidisciplinary Courses can be found on the web at:

http://www4.uwm.edu/schedule/

IMPORTANT: Registered students not attending Biological Sciences Lab and/or Discussion courses during the first week may be dropped. See 'Administrative Drop for Non-Attendance' policy under The Department of Enrollment Services 'Registration Policy' on the web at:
https://www4.uwm.edu/current_students/register_course_info/registration_policies.cfm

If sections are listed as 'closed' when registering for a course on PAWS, students are encouraged to complete the CLOSED COURSE INTEREST REQUEST FORM. Please keep in mind that the department does not maintain waiting lists. Students are encouraged to check PAWS frequently for openings. The Closed Course Interest Request Forms are used solely by the department to determine the need for new sections. Those students who complete the form will be notified via email of any new openings.

Registration in laboratory courses is typically restricted by the availability of openings in laboratory sections. You must register for both the lecture and laboratory sections to complete the course.

Milton and Lillian Peck School of the Arts

DIFFERENTIAL TUITION, applied regardless of the credit plateau, for all students enrolled in most undergraduate courses offered through the degree programs within the UW-Milwaukee Peck School of the Arts beginning in the Fall 2004 semester. Eight 100-level General Education Requirement (GER) courses do not carry the differential: Music 100, Music 101, Music 102, Art 100, Art 105, Art 106, Art 124, and Theatre 100.The differential tuition rate will be set at $20.60 per credit during this academic year. Additional tuition enhances the quality of education in the Peck School of the Arts.

All Inter-Arts traditional track majors (excluding Interdisciplinary Arts & Technology and Musical Theatre) must meet with their academic advisor in the Peck School of the Arts Student Services Office prior to registration. A registration hold will be placed on the students record until an academic advising session is held. Upon completion of the advising session, the registration hold will be removed.. Call 229-4763 to make an appointment to see your Peck School of the Arts academic advisor.

IMPORTANT REGISTRATION INFORMATION

1. Prerequisites will be strictly enforced. Students who do not meet prerequisites will be administratively dropped from the course, without notice.

2. Any student enrolled in a dance course, who does not attend the first class without having previously notified the Department of Dance Office (414.229.2571) may, at the discretion of the instructor, be administratively dropped. It is the student's responsibility to check the office hours of the instructor if a drop is requested. See administrative or departmental drop section in the Registration portion of the Schedule of Classes for information about fees for students dropped from the course. Note: Students must file signed drop forms personally, at the Department of Enrollment Services; instructors take students off their own list, but they do not contact Enrollment Services.

3. Dance and Musical Theatre majors will have priority registration for courses required in the major.

4. All Dance majors must complete the audition process before enrolling in Dance majors classes. Contact the Department of Dance Office at (414.229.2571) for more information and upcoming audition dates.

5. Non-Dance majors: To satisfy GER requirements, the following courses are offered in the Dance Department: 103, 110, 111, 113, 115, 117, 122, 220, 313, 315, and 370. Please register for the section labeled 'Non-Dance majors only.'

6. All official email communication between the Department of Dance and admitted UWM students will be sent to assigned student ePantherID email addresses (pantherlink.uwm.edu). It is a student's responsibility to check her or his PantherLink email account regularly for important university and/or course related information (or to input a PantherLink forward mail command routing email to any other preferred non-UWM email address).

7. Students in Dance Department courses must maintain a level of personal fitness necessary to participate fully in the course.

8. DANCE COURSES ARE CLOSED TO AUDITORS.

DIFFERENTIAL TUITION, applied regardless of the credit plateau, for all students enrolled in most undergraduate courses offered through the degree programs within the UW-Milwaukee Peck School of the Arts beginning in the Fall 2004 semester. Eight 100-level General Education Requirement (GER) courses do not carry the differential: Music 100, Music 101, Music 102, Art 100, Art 105, Art 106, Art 124 and Theatre 100. The differential tuition rate will be set at $20.60 per credit during the 2009-2010 academic year. Additional tuition enhances the quality of education in the Peck School of the Arts.

IMPORTANT NOTES:
1) PREREQUISITES for Film Department courses will be enforced. Students who register for courses without completing the prerequisites may be administratively dropped from the class.

2) Students who do not attend classes in which they are registered may be administratively dropped. Students who do not attend the first class meetings are subject to this policy.

3) FILM COURSES MAY NOT BE TAKEN ON A CREDIT/NO CREDIT BASIS.

4) FILM/VIDEO PRODUCTION COURSES ARE CLOSED TO AUDITORS.

DIFFERENTIAL TUITION, applied regardless of the credit plateau, for all students enrolled in most undergraduate courses offered through the degree programs within the UW-Milwaukee Peck School of the Arts beginning in the Fall 2004 semester. Eight 100-level General Education Requirement (GER) courses do not carry the differential: Music 100, Music 101, Music 102, Art 100, Art 105, Art 106, Art 124 and Theatre 100. The differential tuition rate will be set at $20.60 per credit during the 2009-2010 academic year. Additional tuition enhances the quality of education in the Peck School of the Arts.

All Inter-Arts traditional track majors (excluding DIVAS and Musical Theatre) must meet with their academic advisor in the Peck School of the Arts Student Services Office prior to registration. A registration hold will be placed on the students record until an adademic advising session is held. Upon completion of the advising session, the registration hold will be removed. Call 229-4763 to make an appointment to see your Peck School of the Arts academic advisor.

Music Education

Chair: Jon Welstead, FAM 120A, 229-5162

Chair: Jon Welstead, FAM 120A, 229-5162

DIFFERENTIAL TUITION, applied regardless of the credit plateau, for all students enrolled in most undergraduate courses offered through the degree programs within the UW-Milwaukee Peck School of the Arts beginning in the Fall 2004 semester. Eight 100-level General Education Requirement (GER) courses do not carry the differential: Music 100, Music 101, Music 102, Art 100, Art 105, Art 106, Art 124 and Theatre 100. The differential tuition rate will be set at $20 per credit during the 2008-2009 academic year. Additional tuition enhances the quality of education in the Peck School of the Arts.

All Inter-Arts traditional track majors (excluding DIVAS and Musical Theatre) must meet with their academic advisor in the Peck School of the Arts Student Services Office prior to registration. A registration hold will be placed on the students record until an adademic advising session is held. Upon completion of the advising session, the registration hold will be removed. Call 229-4763 to make an appointment to see your Peck School of the Arts academic advisor.

Theatre

Department Office: Art 203, 414-229-4947
Chair: LeRoy Stoner, ART 234, 414-229-3913

DIFFERENTIAL TUITION, applied regardless of the credit plateau, for all students enrolled in most undergraduate courses offered through the degree programs within the UW-Milwaukee Peck School of the Arts beginning in the Fall 2004 semester. Eight 100-level General Education Requirement (GER) courses do not carry the differential: Music 100, Music 101, Music 102, Art 100, Art 105, Art 106, Art 124 and Theatre 100. The differential tuition rate will be set at $20.60 per credit during the 2009-2010 academic year. Additional tuition enhances the quality of education in the Peck School of the Arts.

IMPORTANT REGISTRATION INFORMATION

1. Prerequisites will be strictly enforced. Students who do not meet prerequisites will be administratively dropped from the course.

2. Any student enrolled in a Theatre course, who does not attend the first class without having previously notified the Theatre Department Office (229-4947) may, at the discretion of the instructor, be administratively dropped. After the Friday of the first week of classes students will not be allowed to drop without the written permission of the instructor. It is the student's responsibility to check the office hours of the instructor if a drop is requested. See administrative or departmental drop section in the registration portion of the schedule of classes for information about fees for students dropped from the course. Note: students must file signed drop forms personally, at the registrar's office; instructors take students off their own list, but they do not contact the registrar's office.

3. Theatre majors will generally have priority registration for courses REQUIRED in the major.

4. All official email communication between the Department of Theatre and admitted UWM students will be sent to assigned student PantherMail email addresses (http://panthermail.uwm.edu). It is a student's responsibility to check her or his PantherMail email account regularly for important university and/or course related information (or to input a PantherMail forward mail command routing email to any other preferred non-UWM email address).

5. THEATRE COURSES ARE CLOSED TO AUDITORS.

Department Chair: Dr. Hope Longwell-Grice, hope@uwm.edu, END 309, 229-4884/4814

IMPORTANT REGISTRATION INFORMATION:

1. Some Curriculum and Instruction courses are not open to University Special Students (including Summer Guest Students) or students who want to audit a course (written consent required to audit). Enrollment restrictions such as these can be viewed in the `Expand All' view of the Online Schedule of Classes, specifically in the `Notes' area following course prerequisites (if any), and directly above course section schedule information. Post-baccalaureate undergraduate special students, and non-degree graduate special students, must obtain department approval to enroll for these courses (END 310, 229-4814, cni@uwm.edu).

2. Students who do not meet course prerequisites may be administratively dropped. See Registration portion of this Schedule for information about fees for students dropped by department.

3. Students who do not attend classes in which they are registered may be administratively dropped. Students who do not attend the first class meeting are subject to this policy. See Registration portion of this Schedule for information about fees for students dropped by department.

4. Students accepted into Curriculum and Instruction programs may be given priority registration for department courses for which Junior Standing is a prerequisite.

5. The Spring 2010 Semester mandatory two day on-campus student teaching orientation will be held on: Wednesday-Thursday, January 20-21, 2010, each day from 9:00am to 4:00pm, Bolton Hall 150. If you have been admitted to the SOE and have questions about whether or not you are required to attend the orientation, please contact your specific program director (or advisor) for assistance. Note: Students enrolled in CURRINS 300 do not attend the mandatory student teaching orientation.

6. Official e-mail communication between the Department of Curriculum and Instruction and admitted UWM students will be sent to assigned student UWM PantherLink e-mail addresses (https://pantherlink.uwm.edu). It is a student's responsibility to check her or his PantherLink e-mail account regularly for important university and/or course related information. If you do not check your PantherLink e-mail on a regular basis, then we suggest that you enter a PantherLink e-mail account forward mail command routing e-mail to your preferred non-UWM e-mail address.

The differential tuition rate is $20 per credit during the 2009-2010 academic year. Additional tuition will enhance the quality of education in the Lubar School of Business.

THE COLLEGE CONNECTION DISTANCE EDUCATION COURSE FEES are assessed, regardless of the credit plateau, for all students enrolled in College Connection program courses through UW-Milwaukee. The UWM-College Connection Distance Education Course fee for the Spring 2010 semester is $1,050 per 3-credit course. This fee covers both tuition and additional program costs.

IMPORTANT NOTICE REGARDING PRIORITY ENROLLMENT PLAN FOR UNDERGRADUATE BUSINESS ADMINISTRATION COURSES.

1. Pre-Business Administration Seniors and UWM special students who do not hold an undergraduate degree are not eligible to register for any 400, 500, or 600-level business courses. There is one exceptional circumstance, based on both cumulative and five-course GPAs, allowing a pre-business senior to enroll in one 400-level business course on a one-time basis. Please see the Business School academic advising staff in LUB N297 for more information.

2. Non-business degree students can register in 400, 500, or 600-level courses if they have completed course prerequisites and can provide evidence of GPA of 2.50 or above.

3. UWM special students who do not hold an undergraduate degree can register for 100, 200, and 300-level business courses if they meet course prerequisites, including class standing criteria.

4. Guest matriculates from other universities who are continuing degree students at their home universities are eligible to register in any Bus Adm courses if they meet course prerequisites, including class standing criteria.

5. Business Administration courses are not available to students on a credit/no credit grading basis. Exceptions: 400, 439, 449, 459, 469, 479, 534

6. STRICT ENFORCEMENT OF THE REQUIREMENT FOR ADVANCING TO A MAJOR IN THE SCHOOL OF BUSINESS ADMINISTRATION
Consistent with our grade point average policy for advancement to the business major, students who have a 2.50 cumulative grade point average or above (including transfer work, if any) are guaranteed admission.

IMPORTANT NOTICE FOR GRADUATE BUSINESS STUDENTS
