Dear Mr. Kodama:

Things seem to be going well as far as my plans and those of Larry Miles and Bob Rossman to attend your conference. Unfortunately, as you know, none of the others will be able to attend.

If you would like, I will come prepared to speak briefly with the aid of some slides on value analysis in airlines. I should think 15 or 20 minutes would be ample time unless you would like to have it longer.

I plan to arrive in Tokyo on Pan American flight number 1 on October 21. I will stay at the Imperial Hotel. After the conference I plan to go to Osaka, Nagoya and the Mt. Fuji area.

While in Tokyo I plan to get in touch with Mr. Roy Ishino, Continental Airlines representative, His address is: Kokusai Building, Suite 242, 12 Marunouchi 3-Chome, Chiyoda-ku.

Sincerely,
