Purchasing Management Ass'n of Eastern New York, Inc.

General Electric Co, Schenectady, N.Y

Dear Bob;

Please advise the members of the Association that I deeply appreciate the honor of being a member for another year.

I read the magazine with much interest. I know the struggle it must have been, to ride it through some rough waters in recent years. What a spectacular change in it! I hope it clicks.

On another matter, after ten years more of experience and 1000 hours of work I have re-written the reference and textbook on Value Analysis and Engineering. It is mighty useful now. It came out in March 1972.

If you will send to me your complete address, I would like to send to you for examination, a copy.

Sometime, I vow, I'll be able to be in your area at a meeting night, and will greatly enjoy attending your meeting.

Sincerely,

Larry Miles
