Electrical Engineering

Chair: George Hanson, george@uwm.edu 414-229-3885

University Special Students with appropriate background may be permitted to enroll in certain restricted Electrical Engineering courses with consent of the department.

Non Electrical Engineering majors that meet all the other prerequisites for restricted courses will need permission from the Electrical Engineering department to register.

Please note: Additional tuition, applied regardless of the credit plateau, is charged for all undergraduate and graduate courses offered through the UWM College of Engineering and Applied Science. The differential tuition rate will be set at $20.80 per credit during this academic year. The additional tuition will enhance the quality of education in engineering and computer science.

STUDENTS WHO ARE ABSENT DURING THE FIRST WEEK OF A CEAS CLASS WITHOUT PERMISSION MAY BE DROPPED FROM THE CLASS. (See Registration portion of this Schedule for information about fees for students dropped by department).

Biological Sciences

Chair: Daad Saffarini, LAP S181 229-4214
http://www.biology.uwm.edu

In addition to courses offered by Biological Sciences, students are also encouraged to select cross-listed courses in other departments (Clinical Laboratory Sciences; Conservation and Environmental Sciences; Psychology; and Urban Planning). A detailed listing of all Multidisciplinary Courses can be found on the web at:

http://www4.uwm.edu/schedule/

IMPORTANT: Registered students not attending Biological Sciences Lab and/or Discussion courses during the first week may be dropped. See 'Administrative Drop for Non-Attendance' policy under The Department of Enrollment Services 'Registration Policy' on the web at:
https://www4.uwm.edu/current_students/register_course_info/registration_policies.cfm

Registration in laboratory courses is typically restricted by the availability of openings in laboratory sections. You must register for both the lecture and laboratory sections to complete the course.

Chair: David Allen JOH 110A 229-4619
www.jams.uwm.edu

IMPORTANT REGISTRATION INFORMATION:

1. Some Journalism, Advertising, and Media Studies courses are not open to University Special Students (including Summer Guest Students) or students who want to audit a course (written consent required to audit). Enrollment restrictions such as these can be viewed in the `Expand All' view of the Online Schedule of Classes, specifically in the `Notes' area following course prerequisites.

2. Students who enroll in a Journalism, Advertising, and Media Studies course without meeting all course prerequisites may be administratively dropped. See Registration portion of this Schedule for information about fees for students dropped by department.

3. Enrolled students who do not attend the first week of a Journalism, Advertising, and Media Studies course may be administratively dropped. A student who misses the first day of class should contact the instructor, either in person or via telephone / email. See Registration portion of this Schedule for information about fees for students dropped by department.

4. Official e-mail communication between the Department of Journalism, Advertising, and Media Studies and admitted UWM students will be sent to assigned student UWM PantherLink e-mail addresses (https://pantherlink.uwm.edu). It is a student's responsibility to check her or his PantherLink e-mail account regularly for important university and/or course related information (or to input a PantherLink forward mail command routing email to any other preferred non-UWM email address).

Please note: The College of Letters & Science charges an additional special course fee for Distance Education (online) sections. These sections can be distinguished by a section number beginning with a 2-- (e.g., 201, 202). If the special course fee is not listed in the Schedule of Classes, please contact a fee specialist at (414) 229-3796.

Note: Credit for Math 211 by either the AP or IB exams is interpreted as a C or better in Math 211 in the following lists.

MATH PLACEMENT LEVEL A+. Any of the following:
A Math Placement Test Code of 45;
A score of 4 or 5 on the AP AB calculus exam;
A score of 3 or higher on the AP BC calculus exam;

POLICIES OF THE DEPARTMENT OF MATHEMATICAL SCIENCES

STUDENTS WHO DO NOT ATTEND CLASS (including discussions) or contact the instructor during the first week of classes may be administratively dropped from the course.

All course prerequisites are enforced in MTHSTAT 215. Students on waiting lists and students who attempt to add or change sections after Open Enrollment should be prepared to show proof of prerequisites in the first week of classes. Math advisors are available in the Department of Mathematical Sciences to help students with prerequisite verification problems. Students are encouraged to consult with them during the first week of classes.

Milton and Lillian Peck School of the Arts

DIFFERENTIAL TUITION, applied regardless of the credit plateau, for all students enrolled in most undergraduate courses offered through the degree programs within the UW-Milwaukee Peck School of the Arts beginning in the Fall 2004 semester. Eight 100-level General Education Requirement (GER) courses do not carry the differential: Music 100, Music 101, Music 102, Art 100, Art 105, Art 106, Art 124, and Theatre 100.The differential tuition rate will be set at $21.20 per credit during this academic year. Additional tuition enhances the quality of education in the Peck School of the Arts.

All Inter-Arts traditional track majors (excluding Interdisciplinary Arts & Technology and Musical Theatre) must meet with their academic advisor in the Peck School of the Arts Student Services Office prior to registration. A registration hold will be placed on the students record until an academic advising session is held. Upon completion of the advising session, the registration hold will be removed.. Call 229-4763 to make an appointment to see your Peck School of the Arts academic advisor.

Chair: Lee Ann Garrison, MIT 371, 414-229-4200

Note: Any student enrolled in a studio course who does not attend the first class without having previously notified the instructor may, at the discretion of the instructor, be dropped.

Attention Graphic Design Majors: The Graphic Design sub-major has undergone Program changes in the last few years. New students intending to major in Graphic Design should check the online Undergraduate Bulletin (http://www.uwm.edu/ugbulletin/SC/S_SOA.html) for the most recent requirements. Current majors in the program should speak to a Peck School of the Arts advisor (THR Bldg 120) or ask a Graphic Design faculty member if they have questions or are unsure of which set of programmatic policies and prerequisites apply to them.

ART COURSES ARE CLOSED TO AUDITORS.

Click on section number/link for any special information/fees/requirements for that class.

Please Note: DIFFERENTIAL TUITION, applied regardless of the credit plateau, for all students enrolled in most undergraduate courses offered through the degree programs within the UW-Milwaukee Peck School of the Arts beginning in the Fall 2004 semester. Eight 100-level General Education Requirement (GER) courses do not carry the differential: Music 100, Music 101, Music 102, Art 100, Art 105, Art 106, Art 124, and Theatre 100.The differential tuition rate will be set at $21.20 per credit during this academic year. Additional tuition enhances the quality of education in the Peck School of the Arts.

All Inter-Arts traditional track majors (excluding Interdisciplinary Arts & Technology and Musical Theatre) must meet with their academic advisor in the Peck School of the Arts Student Services Office prior to registration. A registration hold will be placed on the students record until an academic advising session is held. Upon completion of the advising session, the registration hold will be removed.. Call 229-4763 to make an appointment to see your Peck School of the Arts academic advisor.

Chair: LeRoy Stoner, ART 234, 414-229-3913

IMPORTANT REGISTRATION INFORMATION

1. Prerequisites will be strictly enforced. Students who do not meet prerequisites will be administratively dropped from the course.

2. Any student enrolled in a Theatre course, who does not attend the first class without having previously notified the Theatre Department Office (229-4947) may, at the discretion of the instructor, be administratively dropped. After the Friday of the first week of classes students will not be allowed to drop without the written permission of the instructor. It is the student's responsibility to check the office hours of the instructor if a drop is requested. See administrative or departmental drop section in the registration portion of the schedule of classes for information about fees for students dropped from the course. Note: students must file signed drop forms personally, at the registrar's office; instructors take students off their own list, but they do not contact the registrar's office.

3. Theatre majors will generally have priority registration for courses REQUIRED in the major.

4. All official email communication between the Department of Theatre and admitted UWM students will be sent to assigned student PantherMail email addresses (http://panthermail.uwm.edu). It is a student's responsibility to check her or his PantherMail email account regularly for important university and/or course related information (or to input a PantherMail forward mail command routing email to any other preferred non-UWM email address).

5. THEATRE COURSES ARE CLOSED TO AUDITORS.

Curriculum and Instruction

Department Chair: Dr. Hope Longwell-Grice, hope@uwm.edu, END 309, 229-4884/4814

IMPORTANT REGISTRATION INFORMATION:

1. Some Curriculum and Instruction courses are not open to University Special Students (including Summer Guest Students) or students who want to audit a course (written consent required to audit). Enrollment restrictions such as these can be viewed in the `Expand All' view of the Online Schedule of Classes, specifically in the `Notes' area following course prerequisites (if any), and directly above course section schedule information. Post-baccalaureate undergraduate special students, and non-degree graduate special students, must obtain department approval to enroll for these courses (END 310, 229-4814, cni@uwm.edu).

2. Students who do not meet course prerequisites may be administratively dropped. See Registration portion of this Schedule for information about fees for students dropped by department.

3. Students who do not attend classes in which they are registered may be administratively dropped. Students who do not attend the first class meeting are subject to this policy. See Registration portion of this Schedule for information about fees for students dropped by department.

4. Students accepted into Curriculum and Instruction programs may be given priority registration for department courses for which Junior Standing is a prerequisite.

5. Student Teachers (only) please note: The 2012 Spring Semester mandatory two day mid-late January 2012 on-campus student teaching orientation is schedule to be held on: Tuesday-Wednesday, January 17-18, 2012, each day from 9:00am to 4:00pm. Please contact your specific program director [or your assigned advisor(s)] if you have questions regarding whether or not you are required to attend the orientation. Students enrolled in CURRINS 300, or CURRINS 328, do not attend this orientation.

6. Requests for (enrollment) permission numbers for CURRINS courses (only) should be submitted via email to the department email address: cni@uwm.edu. Each email request should include: 1.) your full legal name, 2.) your UWM campus ID number, 3.) a daytime phone number, and 4.) the CURRINS course and section numbers as published in the online Schedule of Classes.

7. Official e-mail communication between the Department of Curriculum and Instruction and admitted UWM students will be sent to assigned student UWM PantherLink e-mail addresses (https://pantherlink.uwm.edu). It is a student's responsibility to check her or his PantherLink e-mail account regularly for important university and/or course related information. If you do not check your PantherLink e-mail on a regular basis, then we suggest that you enter a PantherLink e-mail account forward mail command routing e-mail to your preferred non-UWM e-mail address.

Sheldon B. Lubar School of Business

Additional tuition will be applied, regardless of the credit plateau, for all students enrolled in the UW-Milwaukee Sheldon B. Lubar School of Business' 200-600 level classes. The differential tuition rate is $20.60 per credit during the 2011-2012 academic year. Additional tuition will enhance the quality of education in the Lubar School of Business.

The Distance Education Course fee for the Spring 2012 semester is $300 per 3-credit course. This fee is in addition to standard tuition and additional program costs.

IMPORTANT NOTICE REGARDING PRIORITY ENROLLMENT PLAN FOR UNDERGRADUATE BUSINESS ADMINISTRATION COURSES.

Please see the Business School academic advising staff in LUB N297 for more information.

2. Non-business degree students can register in 400, 500, or 600-level courses if they have completed course prerequisites and can provide evidence of GPA of 2.50 or above.

3. UWM special students who do not hold an undergraduate degree can register for 100, 200, and 300-level business courses if they meet course prerequisites, including class standing criteria.

4. Guest matriculates from other universities who are continuing degree students at their home universities are eligible to register in any Bus Adm courses if they meet course prerequisites, including class standing criteria.

5. Business Administration courses are not available to students on a credit/no credit grading basis. Exceptions: 400, 439, 449, 459, 469, 479, 534
