

Educational Sustainability: First Year Transformative Learning Experience of Ed.D Program

Katherine Huang
University of Wisconsin: Stevens Point,
June 2020, EDSU 904

Research Question and Focus

Interests and Questions:

- How can virtual experiences and spaces enhance sustainability science education?
- How can virtual experience provide equitable learning opportunities?
- How can virtual learning environments be used as a tool for sustainability education?

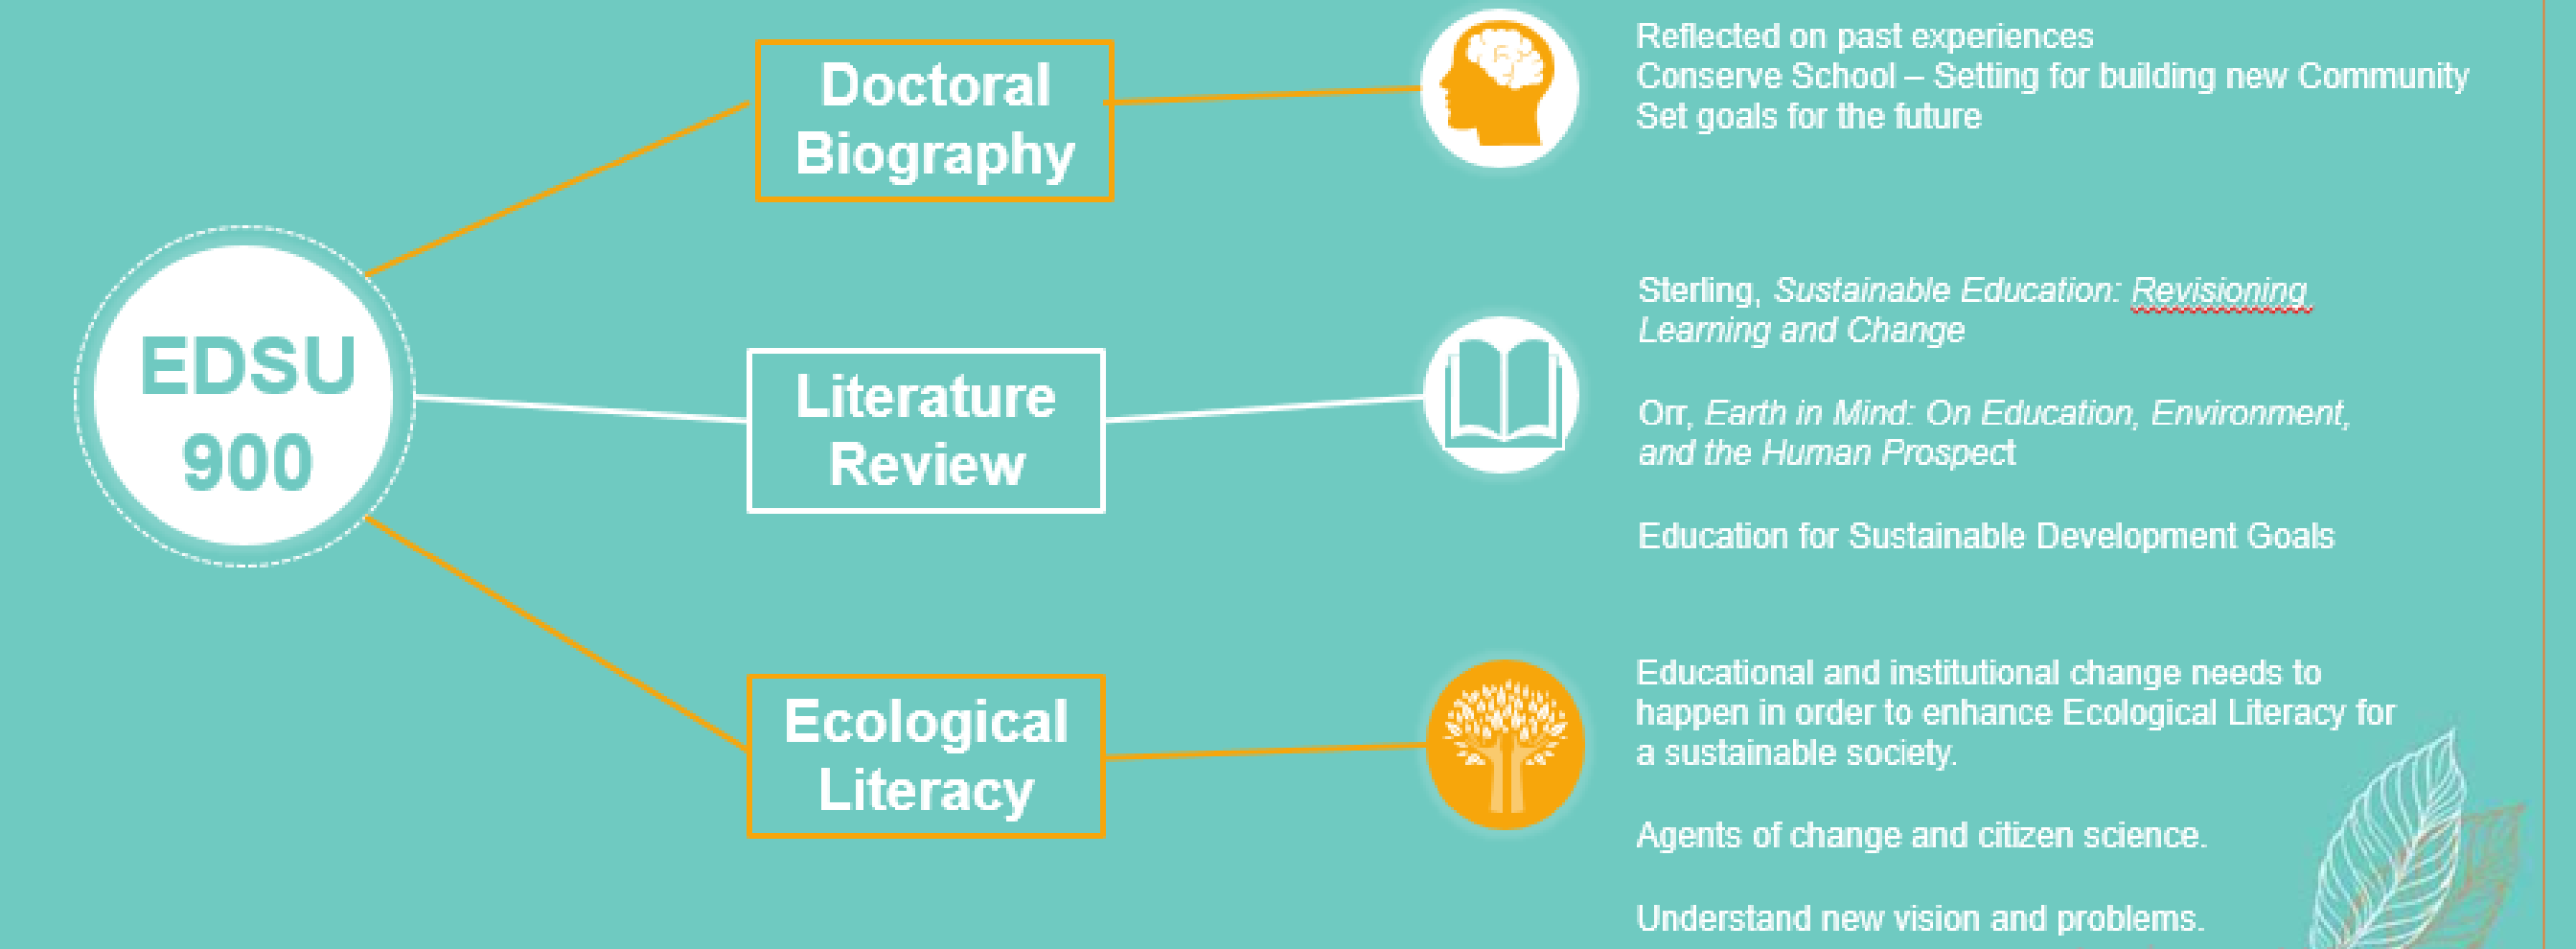

Pandemic: What is essential?

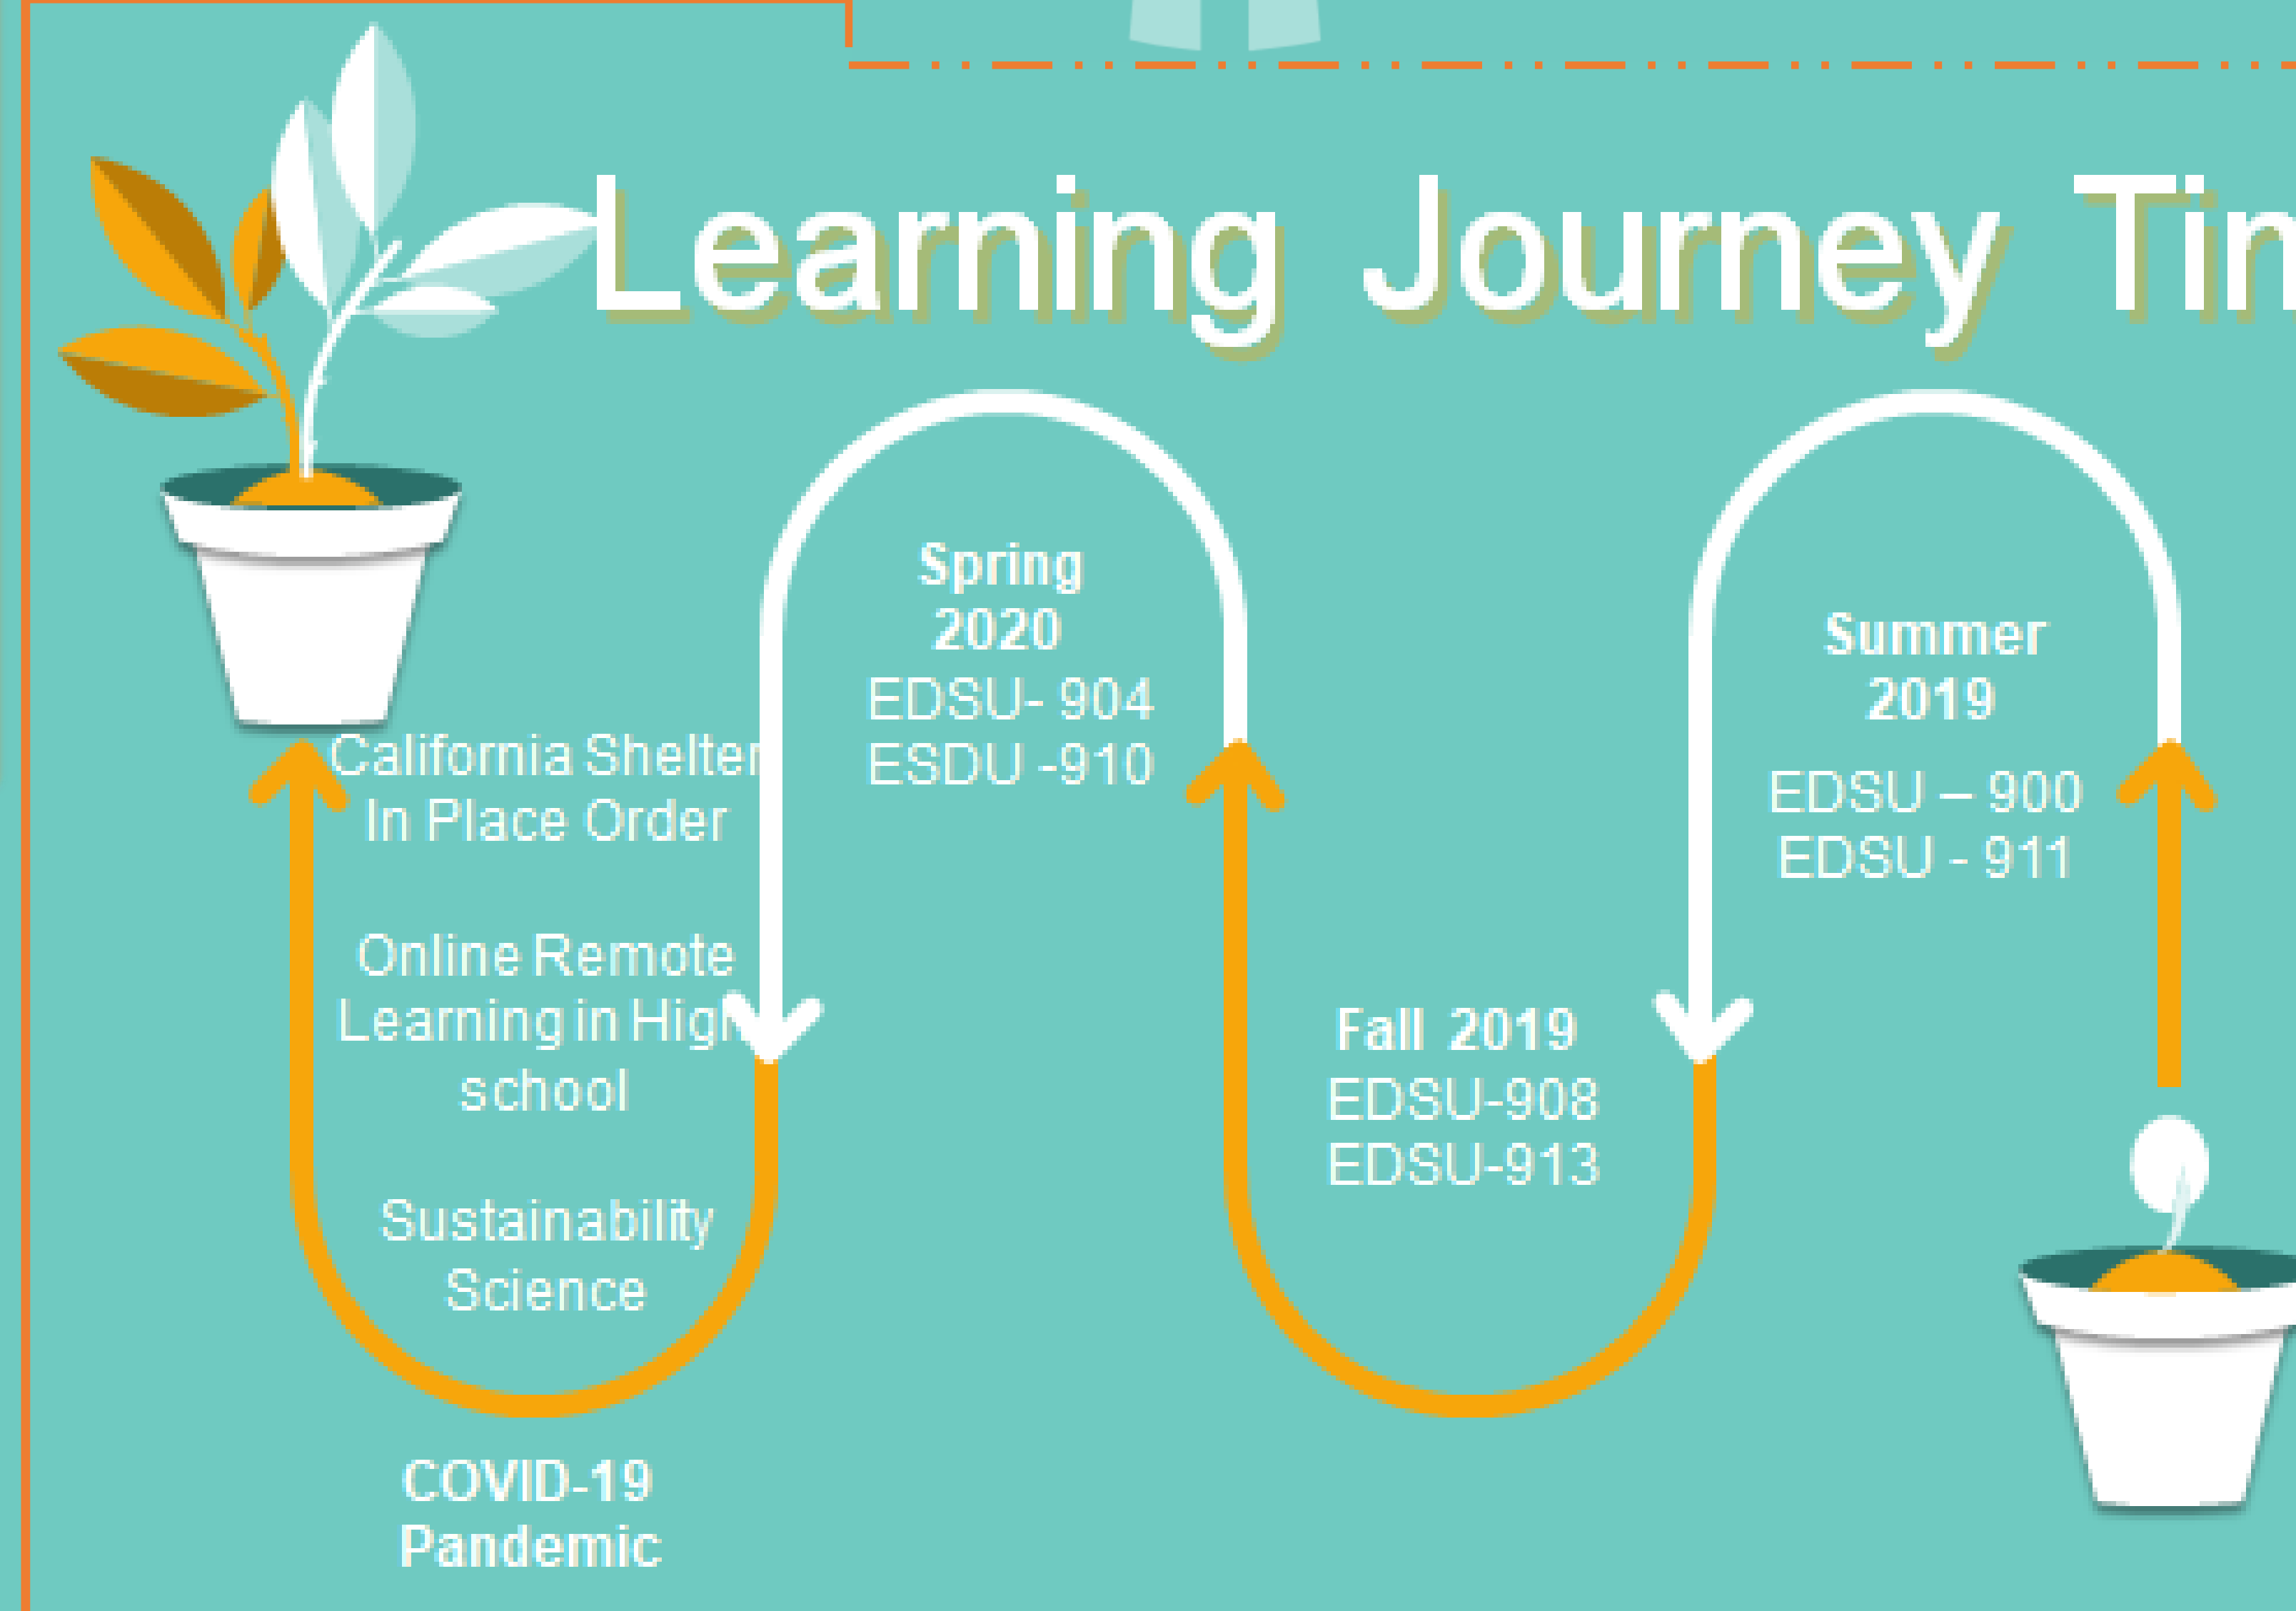

Transformative Learning Opportunities
Ed.D –Educational Sustainability
